

IMPORTANT NOTICE — PLEASE READ

If your exhibit involves animal or human experiments, surveys, etc. in any manner, you MUST read the ISEF RULES and REGULATIONS booklet (see the link at the BSF website). Your experiment must be reviewed and approved by the BSF Scientific Review Committee (SRC) or by your school's SRC BEFORE experimentation begins. If your project involves human subjects in ANY WAY, it must be reviewed by the BSF Institutional Review Board (IRB) BEFORE experimentation begins. IT IS YOUR RESPONSIBILITY THAT THESE TASKS BE DONE AND THE PROPER FORMS ARE APPROVED PRIOR TO THE FAIR. Not complying with these rules may disqualify you from the competition.

PLEASE READ — Your exhibit must fit in a space no larger than 30 inches deep (Front to Back), 48 inches wide (side to side) and 60 inches in height (table to ceiling). NO FLOOR SPACE IS AVAILABLE OR MAY BE USED. Please do not bring any items that do not fit within these dimensions. THIS RULE WILL BE ENFORCED AND MAY RESULT IN DISMANTLING OF YOUR PROJECT IN ORDER FOR IT TO FIT INTO THESE DIMENSIONS OR DISQUALIFICATION AT THE DISCRETION OF THE FAIR DIRECTOR. ALL DECISIONS ARE FINAL.
